

**If you accept credit cards  
in your business, you  
may be eligible for up to  
\$250k!**

**A simple example of how much  
you can borrow:**

- You collect your credit card monthly processing statements for the last 6 months, it totals \$540,000.
- Divide this number by 6 = \$90,000
- You can get 80-120% of that amount or \$72,000 to \$108,000.

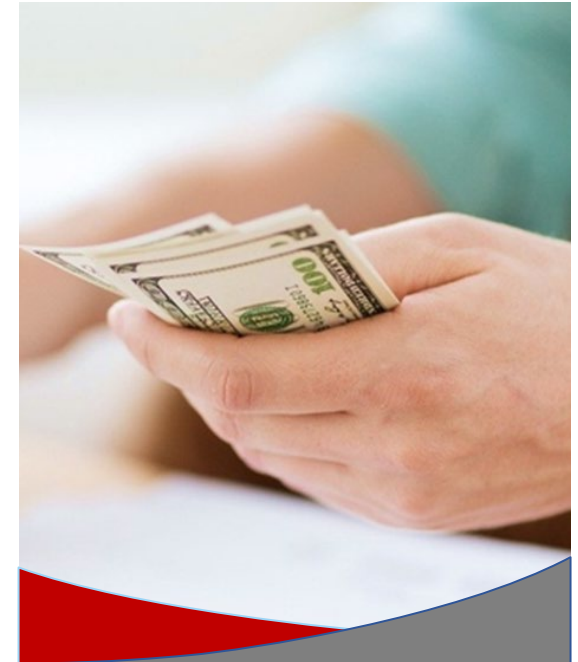

**A partial list of the  
manyservices that  
we provide:**

- Business Acquisition Financing
